JUDGMENT

The learned Standing Counsel for the Electricity Board has placed before me the mahazar prepared on site inspection. The same is perused.

Without expressing anything on merits, this writ petition is disposed of directing that if the petitioners remit 25% of the amounts covered by Exts.P5 to P8 within a period of two weeks, objection to Exts.P5 to P8 shall be considered. Such objections shall be considered and decision taken in accordance with law, after affording an opportunity of being heard. The Board authorities will also be at liberty to record further evidence if needed.
